

Digital Strategy Lead

Welcome to the neighbourhood

👋 Good to meet you.

We're a fast-growing digital agency, working with some of the biggest and most exciting Christian organisations in the UK. We organise and optimise digital spaces, helping brands to build online audiences and achieve their objectives.

Founded in 2021, we're a growing team of seven, ambitious and excited about the future, and **we're looking for the right people to join us as we build something special.**

Current and previous clients include:

What's it like to work at Neighbourhood?

"It's a really exciting team to be a part of! We're surrounded by exciting projects and talented team members, it's a brilliant place to learn. I love working here and the collaboration that happens across the whole team."

Our Values

Culture is incredibly important to us. We are looking for people who are strongly aligned with our values, which are:

1. Work smart, deliver fast
2. There's more to life than work
3. Be positive and candid
4. All for one, one for all
5. Be better than yesterday

About This Role

The Digital Strategy Lead takes client's objectives and works out how best to achieve them, drawing on their experience of social media, influencer campaigns, YouTube content, digital ads, email marketing and much more.

Day-to-day you'll have space to innovate, run creative brainstorming sessions, build strategy documents to present to clients, feed ideas into projects, help launch new campaigns and digital channels, collate and analyse data and work alongside members of the team to ensure clients' objectives are met.

This job is for you if:

- You know how to use digital to get results
- You create proposals, strategies and reports that are pleasing to the eye
- You keep projects on track, hitting deadlines and budgets
- You can use data to tell a story, focusing on metrics that matter most
- You have a creative eye that knows what looks good, and what doesn't
- You're a people person - you know how to make clients happy

This role requires experience working with Christian organisations, and/or a deep understanding of what motivates people with faith

Responsibilities

- Create digital marketing strategies for clients
- Project manage campaigns, ensuring things run on time and in budget
- Bring clarity and insight to clients with regular meetings and reports
- Hold key relationships with clients, ensuring they have everything they need
- Manage the data and reporting tools and software
- Feed insights into the Neighbourhood team to improve performance in all areas
- Stay up-to-date with industry trends, changes and best practices
- Where required, work with external designers/photographers/videographers
- Where required, attend client events across weekends and evenings
(Time in Lieu will be provided)
